How She Escaped.

Pauline, who had been attending school for almost two weeks, was telling of the misbehavior of some of her little classmates. At her mother's question as to whether it had ever been necessary for the teacher to speak to her, Pauline answered, quickly, "Oh, no, mamma." Then, she had to speak to all the class but me this afternoon." "Why, what did she say?" "Oh, she said, 'Now, children, we'll all wait until Pauline is in order.'"—The Ullinator.
